(No. of Posts – 01)

IIT Gandhinagar Research Park <https://iitgnrp.com/> is seeking applications from dedicated individuals to join its team. Established in the year 2017 as a Section 8 not-for-profit company, the IITGNRP seeks to foster a powerful interplay between industry and academia and push the boundaries of innovation and research.

The candidate will be responsible for enabling industry-academia engagement and helping companies set up their R&D offices in the Research Park.

1. Key Responsibilities:

- Interact and visit industries to understand their R&D needs.
- Interact with IITGN faculty, students, and lab coordinators and assess possible industry engagement
- Execute Industry Institute interactions and round table discussions
- Coordinate development of marketing materials, social media postings and web updates
- Identify, attract and bring new companies into the research park
- Connect the existing companies in the Research Park with the institute's ecosystem

2. Key Performance Indicators will be based on:

- Rise in Industry footfalls on the campus
- Number of companies assisted to set up their R&D offices in the research park
- New consultancy projects secured i.e. industry faculty engagement
- Number of Industry events conducted in a year

3. Eligibility:

- B.Tech or BE or MBA (with engineering background at undergraduate level)
- An orientation and passion for marketing and technology management
- An minimum experience of 2 years in industry/industry associations / industrial consultancy
- An understanding of industry operations and their tech challenges
- Good at English (verbal, written), MS office and presentation skills
- Age preferably less than 35 years.

4. Desirable

- Excellent interpersonal skills and the ability to interact effectively with stakeholders, students, faculty and Industry collaborators.

- Self-motivated, creative, positive and innovative thinker with good time management skills including adherence to tight deadlines, and a demonstrated ability to work in a diverse team.
- Organized, systematic and able to priorities, schedule and perform complex tasks on time.

5. Duration of Appointment:

One year and extendable, based on the performance.

6. Remuneration:

Consolidated Monthly Pay in the range of Rs. 50,000/- to Rs. 90,000/- per month based on qualification and experience.

7. How to apply:

Interested candidates may apply through **LINK of FORM** Informal inquiries are welcome and can be sent to: iitgnrp@iitgn.ac.in

8. IITGNRP reserves the right to relax/ modify any of the above requirements and the terms in case of exceptional candidates.
