Job Description	GURUSETU is a prestigious flagship national capacity-building initiative of the Ministry of Education, Government of India. The project focuses on the professional development, teaching innovation, and research advancement of higher education and technical faculty members across India. It delivers specialized self-learning modules across nine distinct thematic verticals (including Pedagogy, Technology in Education, Assessment, and Ethics) to elevate academic delivery standards nationwide. Key Responsibilities The Project Associate will assist the Project Coordinators in managing day-to-day operations, technology integrations, and stakeholder collaborations. Core duties include: • Content Management: Coordinate with Subject Matter Experts (SMEs) to manage instructional content development timelines, ensure peer-review feedback implementation, and maintain quality assurance.		

"Merely meeting the minimum eligibility criteria will not guarantee the shortlisting and/or appointment. A higher cutoff level may be used. The Institute reserves all rights, not to call an applicant for a selection test or not to fill up a position through this round of selection process without assigning any reason."
