

INDIAN INSTITUTE OF TECHNOLOGY GANDHINAGAR

Research & Development Office

ADVERTISEMENT NO. SPON/10448/Advt0294 DATED 11.08.2026

Applications are invited for a temporary position of **Post-Doctoral Fellow** at IIT Gandhinagar. The details are as below:

Name of PI	Prof. Siva Chopperla	Department	Civil Engineering
Project title	Materials for Climate Concisious and Resource Efficient Construction		
Designation	Post-Doctoral Fellow		
Number of positions	1		
Application Link	http://recruitment.iitgn.ac.in/projectstaff/		
Last date of application submission	24 th August 2026		
Consolidated Monthly Remuneration	Rs. 72,000/- to Rs. 84,000/- per month (consolidated)		
Duration of appointment	1 Year		
Eligibility Norms ¹	☒ Institute norms	☐ Funding Agency norms	
Essential Qualification/Experience as per the norms ¹	PhD in Civil Engineering (candidates who have submitted their dissertation may also apply and the application maybe considered; however remuneration will be adjusted accordingly if selected) The percentage/grade points with respect to the academic qualifications will be a minimum of 60% or equivalent grade from Graduation onward and 55% or equivalent grade in class 10th and 12th.		
Desirable Qualification/Experience	The prospective candidate is expected to have a strong background in the area of infrastructure materials. The candidate is expected to have previous experience with laboratory experiments related to cementitious materials characterization or/and concrete durability. Candidates possessing a good understanding of cement chemistry will be given preference. The candidate must possess strong written and oral communication skills. The candidate is also expected to collaborate with other team members.		
Job Description	The project will involve activation of industrial wastes for improving their reactivity for their use as cementitious binders for developing low-carbon concrete. The candidate is also expected to mentor MTech students research and support other ongoing projects.
